

## AREA REQUIREMENTS

### Study Away Course Approval Form

- Use this side of this form to gain approval for area requirements before studying away.
- Courses you wish to fulfill Challenge Curriculum area requirements should be approved by the Registrar.
- Before making an appointment to see the Registrar, be sure to get as complete a course description as possible, as well as a syllabus (if available), for each course that you want to count for area requirement credit.
- Make a copy of the completed form to return to CICE, a copy for the department chair, and a copy for yourself to keep until you graduate.
- Submit the original copy to the REGISTRAR.
