

# 2022 FYRE Application

**Questions** Responses Settings

Section 1 of 6

## 2022 FYRE Application

Please complete this form and submit it no later than 5 PM on Thursday, March 3rd. For the narrative responses, it is recommended that you type out your response in MS Word or some other word processor first (and save the document), and then copy and paste text into this form. Draft your responses carefully and take the time to edit them several times; they are one of the most important parts of your application. You will be able to return to edit the form at the end if necessary. If you have any questions about the form, please contact the FYRE Program Director at [anienow@gustavus.edu](mailto:anienow@gustavus.edu).

# Narrative Responses

Description (optional)

1. Describe a moment in class or another experience you've had that captured your scientific interest and how that experience motivates you for the projects you have ranked highly for the FYRE project. (300-500 words) \*

Long answer text

2. Perseverance (the steady effort to maintain a course of action despite difficulty) is a crucial skill in a scientific research lab. Describe a time when you worked hard at something, even though there was an easier path. This need not necessarily involve science, or even college. (300-500 words) \*

Long answer text

3. (Optional) If there is an important aspect of your personal background or identity that you would like to share with the Committee, we invite you to do so here. Examples might include significant challenges in access to education, unusual socioeconomic factors, identification with a minority culture, religion, race, ethnicity, sexual orientation, or gender identity. Briefly explain how such factors have influenced your motivation for scientific research. (300-500 words) \*

# Project Ranking

Once you have met with at least three faculty mentors, please indicate your TOP THREE project choices in order of interest (1 = most interested; 3 = least interested). Please only rank projects of faculty mentors with whom you have met and discussed their project).

Rank your TOP THREE projects in order of interest (1 = most interested; 3 = least interested). Rank only projects of faculty members with whom you have met.

	First Choice	Second Choice	Third Choice
