

Moving out produces a lot of trash.

**Divert reusable items from the
landfill by donating them.**

TRASH 2 TREASURE

May 12th - 17th

**Items such as decorations, furniture,
nonperishable foods, and clothes often
become trash during moveout week. Donate
these items so they can become treasures for
someone else. There will be designated
collection stations in Residential Halls during
moveout and a reuse opportunity next fall!**

Collection Stations:

**College View shared use room, Norelius lobby,
North basement, Pittman & Sohre basements,
Southwest kitchen.**
