LOFT AND REFRIGERATOR RENTALS:

Students may rent lofts and refrigerators from Bedloft.com. Rentals are available for pick up during orientation in the fall, and are returned at the end of the year. Information about rentals are mailed to students in the summer, or you can visit Bedloft.com.

Room Decoration Guide

Students are encouraged to decorate their rooms to provide a comfortable and personal atmosphere. It is important to give consideration to safety and respect for College property. Please follow these guidelines to insure you do not damage Gustavus property and to minimize any potential damage changes at the end of the year.

THE DOS AND DON'TS OF ROOM DECORATION

DO:

- Use 3M release tape products on walls and furniture
- Discuss room decorations with your roommate
- Keep all wall-mounted furnishings attached to the walls
- Remember that anything in view of the community (from an open door or through a window) must be appropriate and in good taste
- Rent a loft from Bedloft.com if you wish
- Think about waiting to purchase large items until you move-in
- Be creative and make your room your own!

DON'T:

- Block vents, doors, or windows with furniture
- Use two-sided tape, stickers, or decals
- Paint the room (or anything in the room)
- Use nails, screws, hooks, or adhesives that could damage the walls
- Hang anything from the ceiling tiles or pipes
- Hang anything from the ceiling to the floor (including flags)
- Remove Gustavus provided furniture from the room
- Have anything inappropriate or offensive hanging in your window or visible from an open door
- Bring your own air conditioning unit
- Use octopus plug-ins/outlet multipliers (power strips are okay!)
- Build your own loft out of wood or other materials
