

CAMPUS SAFETY SAFE RIDES

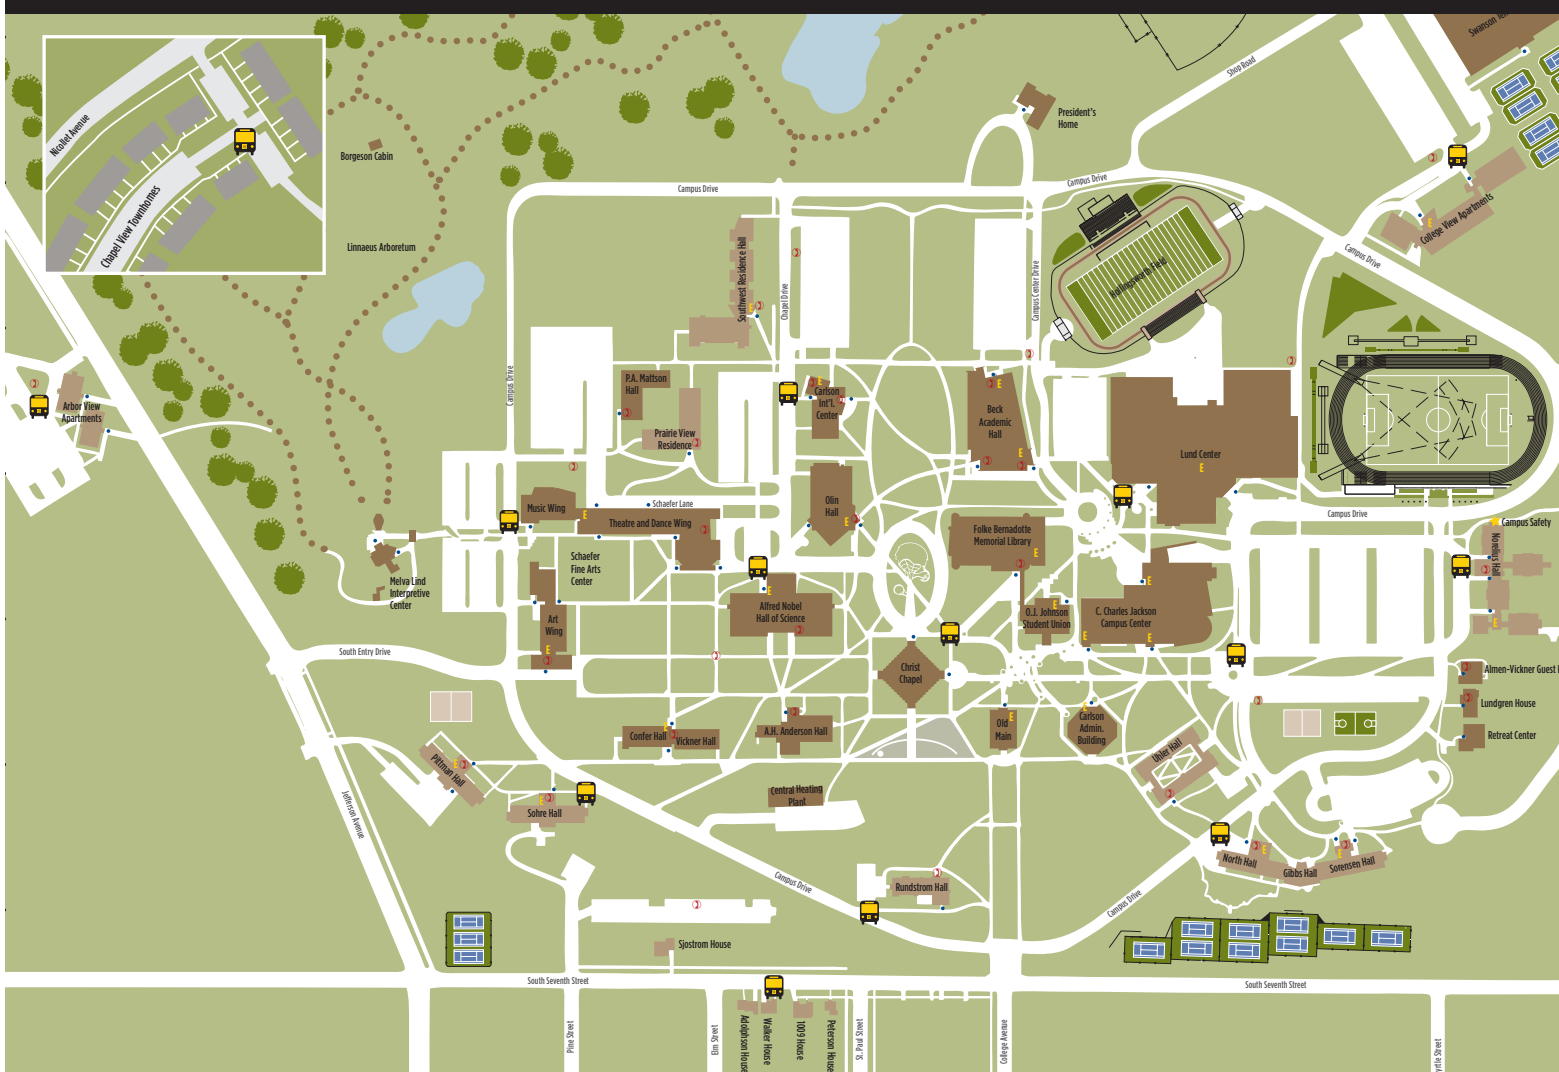

A Campus Safety student employee will be available to give safe rides from specifically marked locations from November 1–April 16 p.m.–1 a.m., April 1–October 31 7 p.m.–1 a.m. every night. Students calling the Safe Rides number 507-933-7000 will be directed to the nearest location to be picked up by the Safe Rides vehicle and transported to the closest marked drop-off location. The Safe Ride vehicle will be parked at several locations near the center of campus when not transporting students. The driver will pick up and drop off at 14 designated locations (below). All pick-up points are identified with posted yellow and black “Safe Rides” signs.

After picking up students the driver will take them to the closest drop-off locations, or the driver may stop and pick up more students on the way if room is available in the vehicle. When a driver arrives at a called-in pick-up location, THE DRIVER WILL WAIT ONE MINUTE TO PICK UP STUDENTS; if the students are not there by the end of that minute, the driver will leave and the students will need to call for another pick-up.

For more information, 24-hour medical escorts, or escorts after 1 a.m., call Campus Safety at 507-933-8888 (x8888).
