BONFIRE APPLICATION

SPONSOR INFORMATION AND RESPONSIBILITY:

- This form must be completed and returned to Campus Safety no later than 3 business days prior to the scheduled event.
- Bonfires are permitted in the fire rings located in front of Complex and Pittman, or in a Gustavus-issued portable fire pit (Residential Life use/issue only).
- If this application is approved, a copy will be forwarded to Physical Plant and the firewood will be delivered. Only the amount of firewood delivered by Physical Plant may be burned at any bonfire. Gathering additional firewood is strictly prohibited.
- Only firewood will be provided. Groups will need to provide their own means for lighting the bonfire.
- The requesting group/sponsor shall be responsible for completely extinguishing the bonfire. Please use water or the provided sand for extinguishing bonfires or contact Campus Safety at 507-933-8888 if you need assistance. All bonfires must be extinguished no later than 12:00 a.m. (midnight).
- In the event Campus Safety must extinguish the fire, the sponsoring organization may be charged for associated costs.
- High winds or other dangerous factors may cause the bonfire to be cancelled or extinguished in the interest of public safety at any time. If there is a County or DNR no burn/red flag warning declared, all bonfires will be automatically cancelled.
