Session One: Define your dream

Know what you want! You’re smart. You’re talented. You’re built to do great things! Stop dreaming. You CAN do what you love for a living. In this inspiring kick-off class, you’ll learn ...

- How to figure out what you want
- Reality check: Identify the gaps (if any) between your dream job, your skills & experience
- Isolate your target (set your target job(s), industries and companies)
- Top 10 Confessions from the hiring side of the desk (and how to break through!)
- Get a game plan!

Session Two: Tell a compelling story

Know how to get it! You may not like it, but you already know it: a big part of career transition & job hunting is knowing how to sell yourself. We’ll show you how to hit the streets with confidence - and stand out from the herd - every time. You’ll learn how to ...

- Write a resume that works
- Tell me about yourself (in person, online and on paper)
- Tell a compelling story (in 30 seconds or less)
- Use social media (LinkedIn, Facebook & Twitter) to help you ... not hurt you

Session Three: Network your way to a great new job.

Go get it! This skill is too critical to leave to chance! Whether you are petrified to meet new people, or love meeting new people but don’t know what to do with them once you do, this workshop is for you. Make sure you’re networking in the right places, with the right people, and turning handshakes (live and virtual) into real opportunities. You’ll learn how to ...

- Find the hidden jobs (Less than 20% of job openings never hit the job boards!)
- Create a networking action plan that works for you!
- Use social media (like LinkedIn, Facebook & Twitter) to help you ... not hurt you
- Network for success (Where to go online and in person, what to say, how to follow-up)

Session Four: Interview to win & Break through the barriers

You’ve come this far. Don’t leave your interview success to chance!

- The 4 things every interview wants to know (and how to give it to them)
- How to prepare for any job interview (phone, in person, panel)
- How to show up & knock their socks off
- How to follow up – and get the job
